

# *Greetings Neighbors of Ft. McIntosh!*

A friendly notification that the Fort McIntosh Garrison will be performing public demonstrations during the annual Fort McIntosh Day celebration on Saturday, September 16, 2023, between 10AM and 4PM. These engaging demonstrations will be held at the historic Fort McIntosh site located along the 600 block of River Road and will feature simulated firings of both an American Revolutionary War era cannon and a volley of muskets by the Fort McIntosh Garrison living historians. Please be reassured that Beaver is not under any form of attack!

We cordially invite you for this enriching and **FREE** family-friendly event, sponsored by Beaver Area Heritage Museum, in collaboration with Beaver County Historical Research and Landmarks Foundation.

Throughout the day, attendees will have the opportunity to immerse themselves in historical reenactments, explore various vendor offerings, engage with educational booths, and interact with knowledgeable living historians. Your participation will contribute to a day filled with both entertainment and education.
